FOIA Case: 83930C
22 June 2017

BRETT KAUFMAN
AMERICAN CIVIL LIBERTIES UNION FOUNDATION
125 BROAD ST 18TH FL
NEW YORK NY 10004

Dear Mr. Kaufman:

As agreed in the 4 November 2016 Joint Proposed Scheduling Order, this partially responds to your Freedom of Information Act (FOIA) request for the following items:

- (1) Policies, standards, and guidance related to prepublication review;
- (2) Final legal analyses of past, present, or proposed prepublication-review requirements;
- (3) Statistics relating to prepublication review, including but not limited to information documenting the total numbers of individuals who have submitted works for review, the total number of works submitted for review, the total number of submissions approved without change, the total number of submissions returned with proposed redactions or other modifications, the total number of pending submissions, and the duration of prepublication review processes;
- (4) Titles, subject matters, dates of works submitted for prepublication review, [and outcomes of the prepublication review process.] (This prong can be satisfied with either of two subcategories of documents: (1) charts or summary documents or (2) final decisions of officials conducting prepublication reviews. Subcategory (1) is preferable and, if produced, alleviates the need to produce records in category (2).);
and
- (5) Information about enforcement proceedings instituted or contemplated on the basis of violations of prepublication review requirements, including breach-of-contract actions, agency administrative proceedings, and civil or criminal litigation.

As provided in our initial response to you, dated 17 March 2016, your request was assigned case number 83930.

The letter to you dated 21 June 2017 included a partial response to your initial request. In that response to you, we provided you with 6 documents. We continued to process your request under the FOIA and now provide the final 3 responsive documents. These documents enumerate pre-publication reviews submitted in 2014, 2015 and through March 3, 2016 that were conducted by the Research Directorate.

Certain information has been deleted from the enclosures.

This Agency is authorized by statute to protect certain information concerning its activities as well as the names of its employees. Such information is exempt from disclosure pursuant to the third exemption of the FOIA, which provides for the withholding of information specifically protected from disclosure by statute. The specific statute applicable in this case is Section 6, Public Law 86-36 (50 U.S. Code 3605). We have determined that such information exists in these documents and we have deleted it accordingly.

Sincerely,

A handwritten signature in cursive script, appearing to read "Paul H. Chapman".
